About ReFork

ReFork is a fast-growing start-up that addresses the issues of single-use plastics, by offering an ecological alternative to several banned single-use plastic products, from cutlery, through straws, lids, and other food contact products. The products are made from ReFork material, which is fully bio-degradable and compostable.

The role

Are you one of the people who is locked home currently and without work? We understand that this is a difficult time and want to support the community. Thus, we are creating additional opportunities in our team. Is MS Excel an essential tool for you? Do you enjoy comparisons of different business models? We would like to take you on board on a part-time or contract basis. Your outputs can be in English or Czech or both. Currently, this is a home-office based role. And don't worry, we have all the collaboration tools to work effectively together and make you feel like part of the team.

The main areas we need help with are:

- Internal calculations according to the development of the material, personnel costs, reflecting price changes in products, services.
- Business and sales plan – sensitivity analysis, trend development curves, costing units, direct, indirect costs, WACC, ROI, ROE, and other standard economic indicators
- Preparation of budget documents, estimates of selling, overhead, and other expenses.
- Market analysis – Macro trends analysis, market size analysis
- Controlling agenda

The main goal is to help our finance team with business modeling and prepare a solid base for our investors' decisions. You will be free to come up with your ideas for calculations. We are always looking for fresh thoughts.

Qualification

- Fluent in English, Czech and any other language is an advantage
