

Senior Consultant/Project Manager

About ReFork

ReFork is a fast-growing start-up that addresses the issues of single-use plastics, by offering an ecological alternative to several banned single-use plastic products, from cutlery, through straws, lids, and other food contact products. The products are made from ReFork material, which is fully bio-degradable and compostable.

The role

Are you one of the people who is locked home currently and without work? We understand that this is a difficult time and want to support the community. Thus, we are creating additional opportunities in our team. We are looking for experience colleague with a consulting background who will be the right hand of our CEO, who is a former consultant. You will work across the teams on various projects. You will be a champion of new working methods, tools, and frameworks. You should be able to work independently. In the future, you will be able to join a marketing, sales, and product team. Currently, this is a home-office based role. And don't worry, we have all the collaboration tools to work effectively together and make you feel like part of the team.

The main areas we need help with are:

- Work on a strategic plan for the CEO across the teams
- Champion for using collaboration tools (MS Teams, Planner, Salesforce)
- Champion for new frameworks and working methods
- Lead cross-functional projects

Qualification

- Fluent in English, Czech and any other language is an advantage
- 2-3 years of consulting experiences from BIG4 or similar
- Analytical thinking, out of box thinking, strategic thinking, creative and structured
- Ability to present findings and create recommendations
- Good grasp of finance
- Experience in PowerPoint, MS Teams, Excel
- Experience in salesforce advantage
